USAGE & PROMOTIONAL DISCOUNTS:

Pricing on this Critical Information Summary does not consider any promotional discounts or custom pricing. The service must not be used to generate mobile terminating access or SMS messaging terminating access payments (for example, by using SIM boxing), to transmit, refile, or aggregate domestic or international traffic on the network, as a call collection service and/or for the call redirection to call centers, call sinks, or mass termination services, or with devices that switch or reroute calls to or from the network to any third party. Fair Use and Acceptable Use Policies apply which can be found on our website.

BILLING:

We will bill you in advance for the minimum monthly charge and features. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle. Bills will be emailed to your nominated billing contact as part of our commitment to protecting the environment.
